

Dress Rehearsal

Dress Rehearsals are a run-through of the show. They allow students to practice waiting backstage, entering and exiting the stage, any costume changes, and SO MUCH MORE! Dress Rehearsal is where we make sure there are no costume malfunctions. It's also a time to ensure hairstyles are secure and an excellent practice for make-up application!

What does the whole process look like?

- The dress rehearsal schedule is based on class. Your dancer attends the rehearsal block that corresponds to the class they are in. For example: If your student is in The Works 4 Ballet/Tap, they attend the entire rehearsal for The Works 4 Ballet/Tap and the finale rehearsal.
- Students should arrive 15 minutes before their scheduled time. Students should arrive with their hair and make-up already done.
- Arrive at Kearney High School Theatre. Use "BIG K" doors.
- Stop at our check-in table and get checked in.
- Check-in staff will direct you to the assigned dressing area, where students will change into their costumes.
- The teacher will line students up and prepare them to take the stage.
- After performing, they will change into their next costume. If they don't have a costume change they will be taken to the seats to wait for their run-through of the finale.
- At the end of rehearsal, students will be released to their parents.
- Parents are not required to stay for the dress rehearsal.
