

On the following pages is our 2024 - 2025 schedule!

One important detail to note is the recital designator. Each class has a designation after its name that lets you know precisely which recital the class will perform. You'll find it in the class description online as well. The recital is approximately 320 days away, but you'll already know which show your dancer is performing in!

The recital designator appears behind the class day and time in parenthesis.
