

TDW Season 39

On the following pages is our 2025-2026 Schedule!

One important detail to note is the recital designator. Each class has a designation after its name that lets you know precisely which recital the class will perform in. You'll find it in the class title online as well. The recital is approximately 320 days away, but you'll already know which show your dancer is performing in!

The recital designator appears behind the class day and time in parenthesis.
